

# NCRA-APPROVED COURT REPORTING PROGRAMS

The court reporter programs offered at the following institutions are committed to excellence in realtime reporter education and have met the General Requirements and Minimum Standards (GRMS) established by the Council on Approved Student Education (CASE) of the National Court Reporters Association, earning the right to describe themselves as “NCRA approved.” In order to achieve and maintain NCRA approval, these programs agree to periodic review by CASE to verify their continued adherence to the GRMS. Each program is identified as being approved for specific modes of delivery and specialty.

NCRA is not an accrediting agency; however, all NCRA-approved programs are accredited by agencies recognized by the U.S. Department of Education. Each institution’s transfer of credit policy is governed by the standards of the particular agency accrediting that institution.
