

# 2019 Annual School Report

This year's Annual School Report represents a snapshot of data on NCRA-approved court reporting programs. Of the current 26 NCRA-approved court reporting programs, three are now in teach-out. In 2019 to be more inclusive and broaden its slate of schools, NCRA's Council on Approved Student Education (CASE) approved a new tier of eligibility for programs.

# ENROLLMENT OF NCRA A TO Z® PARTICIPANTS

DiscoverSteno Interest Inventory Survey have been sent to NCRA-approved schools. By the end of 2019, nearly 1300 participants had completed an NCRA A to Z Intro to Steno Machine Shorthand Program – either in person or online.

The DiscoverSteno program continues to be a powerful recruitment tool. Since its inception, over 5000 leads from the

As of the beginning of 2020, NCRA-approved schools reported the following: 294 of their enrolled students had completed an A to Z program

- 71 of their students had participated in, but not completed, an A to Z program
- 11 of their graduates had completed an A to Z program
- Many other A to Z completers have indicated they are enrolling in non NCRA-approved schools.
