

2019 Court Reporting & Captioning Week February 9-16

Social media tips for Court Reporting & Captioning Week

We are pleased to announce that the Seventh annual National Court Reporting & Captioning Week is being held Feb. 9-16. This week will serve as a nationwide effort to highlight the contributions of stenographic court reporters and captioners to society and to showcase the growing career opportunities that exist in the court reporting and captioning fields.

To make National Court Reporting & Captioning Week a success, we are asking for your support. Please share information about our upcoming awareness week and your endorsement of the court reporting and captioning professions. However you decide to share your support, we ask that you include our hashtag (**#CRCW19**) and/or the website (NCRA.org/awareness) for additional information and promotional materials.
