

Exam History Reinstatement Policy

Exam Reinstatement Policy Examples

Candidates can use the Exam History Reinstatement Policy to restore any expired Skills Test (SKT) history and any Written Knowledge Test (WKT) or educational requirement history more than three but less than seven years old. All WKT history or educational requirements older than seven years must be retaken.

Example 1

Candidate has the following passed exam history:

- RPR Lit 8/1/1999
- RPR JC 10/4/2007
- RPR WKT 4/1/2020

Candidate would need to pass the RPR Testimony and pay the Exam History Reinstatement Fee to complete the testing requirements for earning the RPR.

Example 2

Candidate has the following passed exam history:

- RPR Lit 5/4/2000
- RPR JC 11/1/2008
- RPR WKT 10/4/2010 (must be retaken because it is more than seven years old)

Candidate would need to pass the RPR Testimony, pass the RPR WKT again, and pay the Exam History Reinstatement Fee to complete the testing requirements for earning the RPR.

Example 3

Candidate has passed the following exam and education requirement:

- CRC Workshop 11/1/2017
- CRC WKT 1/5/2018

Candidate would need to pass the CRC skills test and pay the Exam History Reinstatement Fee to complete the testing requirements for earning the CRC.

Example 4

Candidate has passed the following exams:

- CRC Workshop 11/1/2012 (must be retaken because it is more than seven years old)
- CRC SKT 1/5/2018

Candidate would need to complete the CRC Workshop again, pass the CRC WKT, and pay the Exam History Reinstatement Fee to complete the testing requirements for earning the CRC. NCRA strongly recommends completing the education requirement prior to taking your Written Knowledge Test.

Exam History Reinstatement Policy

Example 5

Candidate has passed the following exams:

- CLVS Workshop 8/1/2011 (must be retaken because it is more than seven years old)
- CLVS WKT 1/5/2019

Candidate would need to complete the CLVS Workshop again, pass the CLVS Production Exam, and pay the Exam History Reinstatement Fee to complete the testing requirements for earning the CLVS. The CLVS Workshop must be taken before the CLVS Production Exam.

Example 6

Candidate has passed the following exams:

- CLVS Workshop 8/1/2011 (must be retaken because it is over seven years old)
- CLVS WKT 1/5/2012 (must be retaken because it is over seven years old)

Candidate would not be eligible for Exam History Reinstatement. The CLVS Workshop would need to be completed, then the candidate would need to retake and pass the WKT and pass the CLVS Production Exam to earn the CLVS.
